Other (Specify): Princeton Monograph in Population Biology

The Harvard University Herbaria &/or the Botany Libraries grant to the Licensee a non-exclusive, non-transferable, royalty-free, limited license to reproduce and display the Materials solely as part of the First Edition of the Work. Licensee shall not use the Materials in any manner that could harm the reputation of the Harvard University Herbaria &/or the Botany Libraries or Harvard University.

Licensee may digitally correct color, contrast, and levels. No Image may be cropped in any dimension, over-printed, or otherwise altered without the Harvard University Herbaria &/or the Botany Libraries' prior written permission. No Image may be in any way distorted, whether by rotation, inversion, change of proportion, color alteration, superimposition, animation, cartooning, removal of blemishes or inscriptions, or other method.

The Harvard University Herbaria &/or the Botany Libraries do not grant license or rights other than the non-exclusive license expressly set forth in this Agreement. Nothing in this Agreement shall limit the Harvard University Herbaria &/or the Botany Libraries' rights in the Images, including the right to allow others to use the Images.

The Licensee acknowledges that the Images and the original objects depicted in the Images may be protected by copyrights and other rights (including but not limited to artists' rights of attribution or control and rights of privacy or publicity) not owned by the Harvard University Herbaria &/or the Botany Libraries or Harvard University. The Harvard University Herbaria &/or the Botany Libraries do not represent or warrant that it or Harvard University owns all applicable copyright or other rights in the objects or the Images. The Harvard University Herbaria &/or the Botany Libraries do not purport to grant any right or license with respect to third party rights. As a condition of the license granted by the Harvard University Herbaria &/or the Botany Libraries in this Agreement, if the Licensee has not done so already, the Licensee shall ascertain whether any license or permission from any third party is necessary to use the Images as contemplated in the Work, and shall obtain all such licenses and permissions prior to use of the Images in the Work.

The Licensee shall not imply that the Work is endorsed or sponsored by the Harvard University Herbaria or the Botany Libraries or Harvard University, or connected in any way with the Harvard University Herbaria &/or the Botany Libraries or Harvard University.
