

Subject Index

(Volume Two of The Northern Forest Forum)

This subject index to the six issues of Volume 2 of the Forum, compiled by Andrew Whittaker, is offered as a service to readers who are interested in a certain subject. The numbers preceding an entry (for example, 3:23 in the first entry under "Adirondacks") mean: "Issue #3, Page 23. Following the numbers are the title of the article and the author. A Subject Index to Volume I can be found on the back cover of volume 2, #1.

Back issues of both volumes I and II are available for \$3 each from:

Forum, POB 6, Lancaster, NH 03584.

Please make checks payable to: Earth Island Institute.

Adirondacks

- 3:23 Salmon River Accord Reached
- 3:24 Champlain-Adirondack Biosphere Reserve; William P. Gregg, Jr.
- 6:27 Beyond the Jewels: Land for Sale in Adirondacks; Michael G. DiNunzio

Atlantic Salmon (also see Atlantic Salmon Tabloid)

- 2:13 Why Restore the Wild Atlantic Salmon? George Wuerthner
- 3:14 Atlantic Salmon Petition Nets Study Under ESA

Biodiversity [also see "Ecologic Reserves"]

- 1:6 We Must Establish a System of Ecological Reserves; Dr. Stephen Trombulak
- 4:6 Council's Draft Recs Will Not Sustain Biological Diversity; David Publicover, Ph.D.
- 5:6 Why Rec 13 Won't Protect Biotic Integrity; Trombulak
- 5:8 Maintaining Present Level of Biol. Diversity Not Sufficient; UVM Cons. Biology Group
- 6:8 Maine's Biodiversity Conference; Mitch Lansky
- 6:20 Fungi & Lichens Excluded from Nat'l. Biol. Survey

Bioregionalism

- 3:9 We Need a Council of Stewards; Gary Lawless
- 3:24 Champlain-Adirondack Biosphere Reserve; William P. Gregg, Jr.

Birds

- 3:8 Industrial Forestry: Is It for the Birds? Mitch Lansky
- 3:23 Migratory Birds of NF Threatened; (Nat'l. Audubon Soc.)

Book Reviews

- 2:19 Mary Byrd Davis's *Old Growth in the East*
- 2:22 Paul Hawken's *The Ecology of Commerce in Democracy . . . & Economics*
- 2:27 Philip Terrie's *Wildlife & Wilderness: A History of Adirondack Mammals*
- 2:30 Alex Maclean & Bill McKibben's *Look at the Land: Aerial Reflections on America*

Communities

- 2:24 Hamlet Stewardship in Adirondack Park; Claire L. Barnett
- 2:26 Wilderness as Commodity; Martin Manjak
- 3:6 Exporting Maine's Forest Communities; Karen Tilberg
- 5:16 Local, State & Federal Policies to Promote Healthy Communities; Mitch Lansky

Connecticut River

- 3:15 Grassroots Citizen Participation: Conn. River Experience; Interview w/Sharon Francis
- 3:18 Silvio Conte Nat'l. Fish & Wildlife Refuge Act; Interview w/Sharon Francis
- 4:21 Council Appeased Regs Bashers

Conservation Strategies (also see Local Economy)

- 1:10 Full Fee Acquisition Most Effective Land Conservation Strategy; Robert Perschel
- 1:11 Existing Use Zoning & The Trouble with Easements; Jamie Sayen
- 1:20 A Northern Forest Boundary Makes Economic Sense; David Miller
- 1:23 Destiny of Northern Forest: Large-Scale Landscape Conservation; Jym St. Pierre
- 1:26 The Forum Recommends
- 2:4 22 NF Cons. Groups Call for Public Acquisition of 810,000 Acres
- 4:17 Funds for Acquisition Should Be Increased; (Public Comment)
- 4:18 Protecting NF: Response to the Critics; Chris McGrory Klyza
- 4:30 Needed: Model to Coordinate Public Investments in NF; Jim Northrup
- 5:12 Research the Council's Regional Replacement Must Do; Mitch Lansky
- 5:14 Recs for Public Land Acquisition & Mgt.; Lansky
- 5:15 Council Must Strengthen Public Land Acquisition Recs; Lansky
- 5:22 We Need a Northern Forest Restoration Council; Sayen

Cougar

- 2:8 Cougar-Like Animal Kills Bobcat in Eastern ME; Jamie Sayen
- 3:10 Cougar Kitten Shot Near Adirondack Park; Jason Kahn
- 6:24 Eastern Cougar Conf. Big Cats Need Research & Protection; Fife Hubbard

Coyotes

- 6:25 Letter Writer Objects to Dead Coyote Caption

Dioxin

- 3:6 Maine Issues Health Advisory on Dioxin in Lobsters; Ron Huber

Ecological Reserves (also see Biodiversity & Maine Woods)

- 1:8 Unmanaged Land is Necessary to Maintain Biodiversity; David Publicover, Ph. D.
- 2:2 Time to Change an Ecologically Unsustainable "Political Reality"; Jamie Sayen
- 4:7 Debunking the Myths Promoted by Opponents to Ecological Reserves; Dr. Stephen Trombulak
- 4:8 Public Supports Establishment of Large Ecological Reserves; (Public Comment)
- 4:16 NFLC Retreat on Public Land Acquisition Undercuts Creation of Reserves; Michael J. Kellett
- 5:9 Conservation Groups Identify 10 Areas Deserving Protection in Northern Forest
- 6:2 Of Wilderness Reserves, Nat'l. Parks & Open Debate; Sayen

Economics (See Local Economies)

Endangered Species Act

- 2:9 Endangered Species Act, 'Takings' & Public Property Rights; Jamie Sayen
- 3:14 Atlantic Salmon Petition Nets Study Under Endangered Species Act

Forestry Practices (also see "Land Conversion" & "Paper Industry")

- 1:5 Key to Forest Health Unexamined by Council; Mitch Lansky
- 2:10 1990 Interim Forest Survey of Maine; Lansky
- 2:11 Maine's Forest Practices Act; Lansky
- 2:28 Forestry Conflicts Are About Basic Values; David Orton
- 2:29 Pesticides Used in Forestry in Nova Scotia, 1993; Helga Hoffmann
- 3:8 Industrial Forestry: Is It for the Birds?; Lansky
- 3:26 Whole-Tree Logging: Forest Management or Ecological Destruction?; David N. Carle
- 4:11 Council Treatment of Forest Practices—Too Little Too Late; Lansky
- 4:13 Worker's Comp Insurance—Council Ignores Root Causes of Problem; Lansky
- 4:13 Public Demands Council Address Forest Practices; (Public Comment)

Green Certification

- 4:11 Council Treatment of Forest Practices—Too Little Too Late; Mitch Lansky
- 4:22 Council Acknowledges Industrial Forestry Can Be Destructive; Spencer Phillips
- 4:22 Conference Examines Green Certification; Andrew Whittaker

Hydroelectric

- 3:23 Salmon River Accord Reached
- 6:29 Spring Floods Break Controversial Clyde River Dam; Kevin & Karen Meitzler Coffey

Index

- 1:32 Subject Index to Forum Articles in Volume I

Interviews

- 1:27 A Conversation w/Baskahegan's Roger Milliken, Jr.
- 3:15 Interview w/Sharon Francis, Joint Rivers Commission

Land Conversion

- 1:19 More Land 'Converted' by Destructive Forestry Than by Development; Mitch Lansky
- 1:20 Council Fails to Show Link Between Taxes & Land Disposition; Spencer Phillips
- 2:8 Diamond Land Conversion: Has Council Missed Something?; Lansky
- 3:14 VT Study Debunks Myths About Land Conservation & Property Taxes; Vermont Land Trust

Listening Sessions, Northern Forest Lands Council

- 5:26 Public Demands Land Acquisition, Ecological Reserves & Good Forestry; Fife Hubbard

Local Economies (also see "Communities")

- 1:12 Economy Subcommittee Failed to Ask Basic Questions; Eric Palola
- 1:14 Windfalls from Wild Lands: Conservation as Infrastructure; Palola
- 1:15 Economic Status Quo Failing Northern Forest Region; Spencer Phillips
- 1:18 Public Land—Key to New Options in Rec & Tourism; Andrew Whittaker
- 1:20 A Northern Forest Boundary Makes Economic Sense; David Miller
- 2:22 Democracy, Ecology & Growth-At-Any-Cost Economics; Whittaker
- 3:12 Local Economies in the Age of the Symbolic Analyst; Whittaker
- 4:20 Local Communities Submerged by Landowner & Industry Emphasis; Palola
- 4:23 Local Control or Global Race to Bottom?; (Public Comment)
- 5:10 Recs for Regional Economic & Ecologic Revitalization; Mitch Lansky
- 5:18 Establish Woodworker & Woodlot Coops & Regional Community Land Trusts; Lansky
- 5:18 NF Econ. Devel. & Res. Ctr.—A Proposal; (Northern Vt. Devel. Auth.)
- 5:19 Council Must Promote & Support Local Agriculture; (Forum Recommendations)
- 5:20 Recs to Diversify & Strengthen Northern Forest Economics; (Forum staff)

Log Exports (also see Sears Island)

- 1:15 Log Exports Cost Local Jobs; William Butler
- 3:6 Exporting Maine's Forest Communities; Karin Tilberg
- 6:16 Deny Current Use Tax Breaks to Landowners Who Export Raw Logs; Butler

Maine Woods

- 1:23 The Destiny of the Northern Forest: Large-Scale Landscape Conservation; Jym St. Pierre
- 2:10 1990 Interim Forest Survey of ME: Bad News for Industrial Forest; Mitch Lansky
- 2:11 ME's Forest Practices Act: Is It Working?; Lansky
- 3:4 Thoreau Wilderness Res.: Proposal for ME Woods; Jamie Sayen/Rudy Engholm
- 5:24 ME Woodsman Laments Destruction of North Woods; Martin Leighton
- 6:1 ME Woods Up for Grabs—Again!; St. Pierre
- 6:10 ME Woods National Park—A Proposal; Michael Kellett
- 6:12 ME Woods Nat'l. Park Deserves Fair Hearing; George Neavoll
- 6:13 ME Aud. Soc. Press Release Opposes Nat'l. Park Proposal
- 6:19 ME Woodsman: 'There Are Few Old Hemlock Left Today'; Leighton

Media

- 2:12 ME's Media Ignores Fate of Industrial Forest; Mitch Lansky
- 3:2 Are NF Media Missing Story of Century? Jamie Sayen

Mercury

- 6:28 State Warns Dangerous Levels of Mercury in ME's Fish; Ron Huber
- 6:29 VT to Study Mercury in Fish; Fife Hubbard

New Brunswick

- 6:22 New Brunswick—NF Continued; Mitch Lansky
- 6:23 New Brunswick's Last Wilderness Threatened; David Coon

New Forestry

- 1:9 Council Promotes Wrong "Triad"; Jamie Sayen
- 2:14 Professors Seymour & Hunter Respond to Forum & Forum Editor Replies

Northern Forest Lands Council (also see specific Council issues)

- 1:3 Forum Critiques Council Findings & Options; Jamie Sayen
- 1:4 Flawed "Mission Statement" Mars Findings & Options; Mitch Lansky
- 3:2 Are the Northern Forest Media Missing Story of Century? Sayen
- 3:3 Council Recommends Ecological Reserves . . . Sayen
- 4:2 Finding Common Ground, Postponing Day of Reckoning; Sayen
- 4:4 The Council's Recs: Are They Justified?; Lansky
- 5:2 NFLC Listening Sessions—Democracy in Action; Sayen
- 5:3 Challenges Council Must Address in Final Recs; Sayen
- 5:26 Public Demands Land Acq., Ecol. Res., Good Forestry; Fife Hubbard
- 6:3 Council-Listening Sessions Demonstrate Broad Support for Strengthening Cons. Measures; (Public Comment)

Old Growth

- 2:19 Old Growth in East: Extraordinary Reference Tool; Book Review

Pacific Northwest

- 2:15 Clinton Plan Sacrifices Pacific Northwest Ancient Forest Ecosystems; Jim Britell & Tim Hermach
- 2:18 Oregon Native Compares NF Issues with Fight to Save Pacific NW; Michael Wilson

Paper (Timber) Industry (also see "Forestry Practices," "Log Exports" & "Taxes")

- 2:28 Champion Pledges to Promote Sustained Yield in NH; Andrew Whittaker
- 3:7 Timber Industry Circles Wagons in Face of Clearcut Regs in Maine; Mitch Lansky
- 5:5 Large Land Sales Continue Throughout Northern Forests Jamie Sayen
- 6:1 Maine Woods Up for Grabs—Again! Jym St. Pierre
- 6:9 Determining Full Market Value: What is Industry Land Worth? Lansky
- 6:13 ME Gov. to Use Auto Emission Testing to Allow L-P Mill to Pollute More

Pesticides (also see "Dioxin" & "Mercury")

- 2:29 Pesticides Used in Forestry in Nova Scotia, 1993; Helga Hoffmann
- 2:31 NH Landowners Alliance: Untainted Drinking Water Not a Right; Jamie Sayen

Political Discourse (also see "Northern Forest Lands Council")

- 1:2 Our Bequest—A New Democracy; Jamie Sayen
- 2:2 Time to Change an Ecologically Unsustainable 'Political Reality'; Sayen
- 2:22 Democracy, Ecology & Growth Economics; Andrew Whittaker
- 2:28 Forestry Conflicts Are About Basic Values; David Orton
- 3:31 Forgotten Language: Giving Voice to the NF; Robert Perschel
- 6:2 Of Wilderness Reserves, Nat'l. Parks & Open Debate; Sayen
- 6:4 Political Tradition Must Reflect Scientific Reality; Stephen Trombulak

Property Rights

- 2:31 NH Landowners Alliance: Untainted Drinking Water is Not a Right; Jamie Sayen
- 3:19 Protecting Property Rights to Conserve the NF; Mitch Lansky
- 3:20 Humbug Hatch: Wise Use Movement Spreads East; Ted Williams
- 6:8 A Reserve System for Maine: Big Wilderness Meets Property Rights; Lansky
- 6:18 Property Rights & Responsibilities: A Survey of NH Timberland Owners; Charles Niebling

Recreation/Tourism

- 1:18 Public Land—Key to Options in Rec/Tourism; Andrew Whittaker
- 1:18 More Public Land Needed to Meet Tourism & Recreation Demands; Jamie Sayen

Regulations

- 1:14 Unstable Regulatory Environment a Myth; Jamie Sayen
- 3:7 Timber Industry Circles Wagons in Face of Clearcut Regs in ME; Mitch Lansky
- 4:29 Development & Regs—Council Misses Boat Again; (Public Comment)
- 6:20 Maine Town Passes Strict Forest Harvesting Ordinance; Sayen

Sears Island, Maine

- 2:20 Sears Island Woodchip Port Will Degrade Forest & Maine Ecosystems; Ron Huber
- 6:15 New Study: Sears Island Port Plan Too Damaging to Marine Life; Huber

Silvio Conte Refuge

- 3:18 Silvio Conte Refuge Act; Interview w/Sharon Francis

Taxes

- 1:20 Council Fails to Show Link Between Taxes & Land Disposition; Spencer Phillips
- 1:22 Tax Breaks Don't Assure Conservation of Public Values; Mitch Lansky
- 1:24 Tax Breaks for Industry Don't Benefit Forests or Communities; Lansky
- 3:14 Vermont Study Debunks Myths About Land Conservation & Taxes; Vt. Land Trust
- 4:24 Maine's Low Property Taxes Have Not Promoted Good Forestry; Lansky
- 4:25 Property Taxes Not an Onerous Burden for Most Large Landowners; (Public Comment)
- 4:26 Council Still Has Not Demonstrated Tax Breaks Promote Conservation; Phillips
- 4:27 Public Supports Tax Breaks for Responsible Land Stewards, Not Abusers; (Public Comment)
- 5:17 Raise Taxes for Absentee Owners—Give Relief to Towns & Small Owners; Sayen

Vermont

- 3:14 VT Study Debunks Myths About Conservation & Taxes; Vt. Land Trust
- 6:30 Wilderness in Matrix of Human Geography; Andrew Whittaker

Watershed Issues

- 3:28 New Watershed Bill May Protect Forest Ecology; Pope Barrow
- 3:29 Q & A About River & Watershed Protection & Restoration Act

Wilderness

- 2:26 Wilderness As Commodity; Martin Manjak
- 3:30 Wilderness & Illusion of Separateness; Stephen Saltonstall
- 6:30 Wilderness in Matrix of Human Geography; Andrew Whittaker

Wind Power

- 6:14 Maine Wind Power Project to Scar Three Remote Mtn. Peaks; Fife Hubbard
- 6:14 Scrap Deal w/ US Windpower; Jamie Sayen

Wolves

- 2:9 Wolf-Like Creature Shot in Western ME; Stephen Gorman
- 3:11 Support is Growing for Wolf Restoration in NF; Michael Kellett
- 6:26 Group Works to Restore Wolves to Adirondack Park Region; Scott Thiele

Workers' Compensation

- 4:13 Worker's Comp Insurance—Council Ignores Root Causes of Problem; Mitch Lansky
